

MEDIA MANIA: SPONSORED BY ISU INSURANCE SERVICES — UNDERWOOD AGENCY

Each week the Maniacs are asked to pick the winners of five games. The prognosticators have to rank the games 1-5. The prognosticator assigns a 5 to the game he is most certain and a 1 to the game the Maniac is least certain. Points will be tabulated throughout the season with each week having a maximum of 15 points. In case of a tie, the Maniac coming closest to predicting the total points in the featured Purdue game will be the winner. **Last week's winner Stacy Clardie is listed in the gold bar.** Weekly Media Mania winners receive a dinner certificate for two to Bruno's Swiss Inn, located in West Lafayette and the yearly winner will be presented with the Golden Typewriter as the top Media Maniac. (Weekly point total/Overall point total)
